

# *Annual Meeting*

The 96th ANNUAL MEETING  
OF THE  
FLORIDA ENTOMOLOGICAL SOCIETY  
will be held

**July 14-17, 2013**

at the

**Waldorf Astoria Hotel**

**[www.waldorfastorianaples.com](http://www.waldorfastorianaples.com)**

## **Naples, Florida**

**Note from Clark Lovelady:** the Waldorf Astoria is out of rooms at the conference rate although there are rooms available at the street price as of today (6/11/13). As several people inquired about alternatives, I called the Naples Hilton, which is just around the corner from the Astoria. You can book a room through them using 1-800-Hilton. They are located at 5111 Tamiami Trail North • Naples, Florida 34103. The Hilton is 0.8 miles from the Astoria (475 Seagate). If you tell them you are with the Florida Entomological Society, I can keep track of who is staying at the property for logistical purposes. There are several other properties in Naples, if you prefer to stay someplace else. The Hilton is the nearest property to the Astoria.

Meeting registration form: <http://flaentsoc.org/2013registrationform.docx>

Annual Meeting Program (final version 7/11/13):
